SCIHP After-School Tutoring is a safe learning environment for Native teens to get support and guidance in achieving academic success and learn about positive self-care. Our goals for Native youth:

- ◆ To improve academic achievement.
- ◆ To foster social and emotional development in a safe and supportive space
- ◆ To offer cultural enrichment opportunities to support positive self-esteem, healthy decision-making and cultural identity development.

- ◆ **Healthy Snacks**
- ◆ **Talking Circles**
- ◆ **Cultural Arts**
- ◆ **Cultural Field Trips**
- ◆ **Learning Positive Self Care**
