---

**Job Purpose:** Under the direction of the Behavioral Health (BH) Director and as a part of a multidisciplinary team, the Behavioral Health (BH) Provider will provide direct services including individual (child, youth and adults), couple, family and group therapeutic services to patients. The BH Provider will collaborate with the Supervising LCSW to determine the best assessments, treatment plans and discharge planning based on the patient need.

### **Qualifications:**

- Possession of a Master's degree in Social Work, Psychology, Counseling, or degree program that meets the requirements stipulated in Business and Professions Code §4980.36.
- Hold & maintain current, valid & unrestricted LCSW professional license or a Licensed Marriage and Family Therapist (LMFT) professional license with the California Board of Behavioral Sciences.
- Knowledge of theory and treatment practices of intrapsychic, interpersonal and social problems; community mental health; alcohol and other drug abuse interventions; and community agencies and resources that assist with physical and emotional wellness.
- Specialty in area of pain, child therapy, Integration, trauma or group level intervention a plus
- Experience with parent coaching and family therapy approach to the treatment.
- Ability and interest to run therapeutic groups.
- Provide case management, education, referrals and connection to in house support services and outside community supportive resources as needed.
- Possess a strong attention to detail, legal & ethical responsibilities, and accurate clinical documentations required for treatment planning and inter-disciplinary care planning.
- Able to communicate effectively and respectfully with people at all levels and from various backgrounds.
- Maintain a California Driver's license and be insurable.

### **Special Qualifications:**

- Must be sensitive to the needs of Native Americans and knowledgeable of their culture, traditions (beliefs and practices), history, and community (in Sonoma County/Northern CA).
- Strong background in trauma-informed care and treating co-occurring disorders (mental health and alcohol/substance abuse disorders).
