

Attention SCIHP Community

To minimize the spread of COVID we have taken extra precautions that we'd like you to be aware of.

- All patients will be given a surgical mask before screened and allowed into the building.
- To minimize the amount of traffic within SCIHP some visits may shift to a telehealth appointment.
- Those needing urgent Medical or Dental appointments shall still be provided in person visits.

We strive to protect our community and provide a safe place to receive care. We thank you for your patience throughout this pandemic.
